Brokerage Services

Our team will help you get a fair price and find a buyer fast. We will help set a price for your aircraft that accurately reflects the most up-to-date market conditions to sell your aircraft at the best possible price in the shortest amount of time. We handle your transaction from start to finish, including an in-depth technical evaluation, accurate pricing and aggressive omni-channel marketing. We will also negotiate terms on your behalf and prepare all documents so your transaction will go smoothly. We will even manage your pre-purchase inspection!

Acquisition Services

Aircraft acquisitions is a major function of Elliott Jets. We are experts at finding the best aircraft, at the best price and representing you every step along the way. We carefully analyze your situation and mission to acquire the aircraft that best suits your needs based on knowledge of trends, market expertise and industry resources. We are an inventorying buyer of aircraft, which gives us better relationships with OEM's, banks, and large fleet operators and a better selection of aircraft to meet your mission.

The background of the page features two thick, parallel red lines that originate from the top left and extend diagonally towards the bottom right. These lines are interrupted by a sharp, right-angled bend in the upper left quadrant, creating a stylized, abstract graphic element.
