SERVICES

Brokerage

Our dedicated Brokerage team is committed to helping you sell your aircraft quickly, confidently and for the best possible list price. From start to finish, we make the process simple and straightforward by managing every aspect of your transaction—including up-to-date market assessments, legal documentation, omni-channel marketing, technical evaluations, pre-purchase inspections and more.

Acquisition

Our expert Acquisition team is unmatched within the industry for our ability to find, negotiate for and secure the best aircraft available. By understanding your needs, we leverage industry trends, market expertise and insider resources to acquire the right aircraft for your mission. And because we are an inventorying buyer, our team has outstanding relationships with manufacturers, banks, fleet operators and anyone else you need to get the job done right.
